

Terms and conditions
of the competition for financial support
for students, postgraduates and young scientists
from less developed regions of Europe and the world
to attend the European Conference Physics of Magnetism 2026 (PM'26)

1. The Organizing Committee of the European Conference PHYSICS OF MAGNETISM 2026 (PM'26), using the financial support of the Ministry of Science and Higher Education under the Science Vectors Programme, announces a competition for partial scholarships, which include a 700 PLN discount on the registration fee and free accommodation (hotel or dormitory) for young scientists from less developed regions of Europe and the world.
2. The European Conference PHYSICS OF MAGNETISM 2026 (PM'26) will be held on June 22-26, 2026 in Poznań, Poland.
3. The financial support is intended to encourage students, postgraduates and young scientists from less developed regions of Europe and the world to attend the PM'26 conference. This will allow young scientists who otherwise would not have the financial means to pay the conference fee and accommodation costs to attend the PM'26 conference.
4. The scholarship is intended for people under 30 years of age, but exceptions to this criterion are possible in justified cases.
5. The scholarship does not cover the travel expenses.
6. Accommodation will be booked in a dormitory/hotel selected in accordance with the requirements of public procurement law.
7. The number of planned scholarships and the criteria for awarding scholarships will be announced on the conference website.
8. Candidates can download the application form from the conference home page and send it by March 20 2026 to the address pm26support@ifmpan.poznan.pl, the responsible board member of the PM'26 Organizing Committee, along with CV and additional documents proving their affiliation and academic achievements.
9. The selection of scholarship recipients will be done through an open competition and will be made by members of the PM'26 Organizing Committee.
10. Formal conditions and evaluation criteria for obtaining a scholarship:
 - age up to 30 (possible exceeding in justified cases);
 - affiliation from less developed regions of Europe and the world;

- submitted presentation (poster or oral) for the PM'26 (manuscript submission welcomed);

- grades in studies (in case of students) and scientific achievements (publications, awards and prizes, participation in projects, internships, and conferences).

11. A report on the Organizing Committee's meeting on evaluating scholarship applications and awarding scholarships will be prepared. The results of the competition will be announced on March 25, 2026.

12. All candidates will be informed of the results of the competition.

13. A report on the implementation of the scholarships and the participation of scholarship recipients in the conference will be prepared.

14. Given the Russian Federation's current war in Ukraine, participation in the PM'26 conference by scientists with an affiliation from the Russian Federation or Belarus is not allowed. Hence, applications with an affiliation from the Russian Federation or Belarus will not be considered in the competition.

Information clause on General Data Protection Regulation

In accordance with art 13 section 1 and 2 of Resolution of the European Parliament and Council (EU) 2016/679 of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46/EC (Official Journal. EU L 119/1 of 4.5.2016), hereafter called GDPR, the organizers hereby provide the information that:

1. Your personal data administrator is the Institute of Molecular Physics of the Polish Academy of Sciences, Mariana Smoluchowskiego 17 st., 60-179 Poznań, Poland.
2. Your personal data will be processed for the duration of the Conference and the period needed for settlement of the financial support from the Ministry of Science and Higher Education Poland.
3. You are entitled to request from the administrator access to your personal data, its rectification, removal or limitation of processing. Furthermore, you have the right to file a complaint against your data processing and the right to transfer your data.
4. You can withdraw your consent at any moment. The aforementioned does not affect the compliance with the law of all the acts made prior to the withdrawal of your consent.
5. You have the right to file a complaint to a supervisory authority - the President of the Office for Personal Data Protection.
6. Provision of the personal data is voluntary, but necessary to execute and perform the contract.
7. Your data will not be disclosed to any entities other than entities authorized to receive your data on the basis of relevant provisions of law.
8. The Administrator will not disclose your personal data to recipients in third party countries or to international organizations.

Appendix 1. Application form

Application for financial support for students, postgraduates and young scientists from less developed regions of Europe and the world to attend the conference Physics of Magnetism 2026 (PM'26)

Family Name, First Name:

Degree (M.Sc/Ph.D/etc.):

Year of birth:

Nationality:

Country of Residence:

Email address:

Affiliation / University Address:

.....

Current Position (full-time-position, half-time-position, PhD-grant, master student, other):

Type of submission to PM'26 (oral/poster):

Support from other resources: For traveling to PM'26 I will receive Euro

support from my university/ from the following other institution:

.....

Please specify what in your situation makes your situation suitable for support:

.....

.....

.....

I confirm that I have read and agree to the General Data Protection Regulation (GDPR) information clause.

.....

date and signature of the applicant
